Executive Club ANGELES ADVENTURE – Day 1 Arrivals

Meet the organizers of your Angeles Adventure in the luxury SLS Hotel in Beverly Hills..

Enjoy our cocktail reception while we introduce you to the activities ahead.

You'll be able to download our purpose-made app to your smartphone, and we'll explain how everything works.

The rest of the evening is free for your dinner plans. We'll be delighted to help you choose a venue, but we recommend advance bookings just to be safe.

Executive Club ANGELES ADVENTURE – Day 2 Itinerary

After a relaxing night at the SLS Hotel, we'll meet you for breakfast in the cozy Nook restaurant to review any last-minute details.

If you've chosen to hire some exotic cars from our exotic rental car partner, these will be ready and waiting for you downstairs.

Next, we'll oversee your departure as you head out for an exhilarating and exciting day of driving in the Angeles mountains. You can set off together in one group or individually, depending on your preference.

We've used our extensive knowledge of this area to design an intriguing, challenging and fun route which we are sure you'll enjoy.

Executive Club ANGELES ADVENTURE – Day 2 Continues

Simply follow the turn-by-turn directions as they appear on your app. You'll notice that there are helpful instructions with reference to road signs or other items as needed.

Remember, there's no rush, as you don't have to reach a certain point at a given time. Instead, enjoy the driving, the views along the way and the camaraderie.

Occasionally, you may notice a pop-up note on the app's screen. This text may ask you a cryptic question; the objective is to find the answer somewhere between that point and the next major junction. You'll be looking for a building, object, sign or something similar that should give you the answer to this fun question. When you see it, tap the details in the chat box and return it to us.

One of our representatives will be waiting for you when you arrive at your lunch destination. Reunite with your other group members to dig into a fantastic lunch at this premium venue, often with sprawling views of the neighbouring scenery.

After lunch, set off for the rest of your day's adventure by following the app instructions and enjoying the experience.

When you arrive back at the SLS Hotel, the rest of the evening is free. You may choose to book an evening meal at a great venue (your choice), where you can share some tales from your day on the open road.

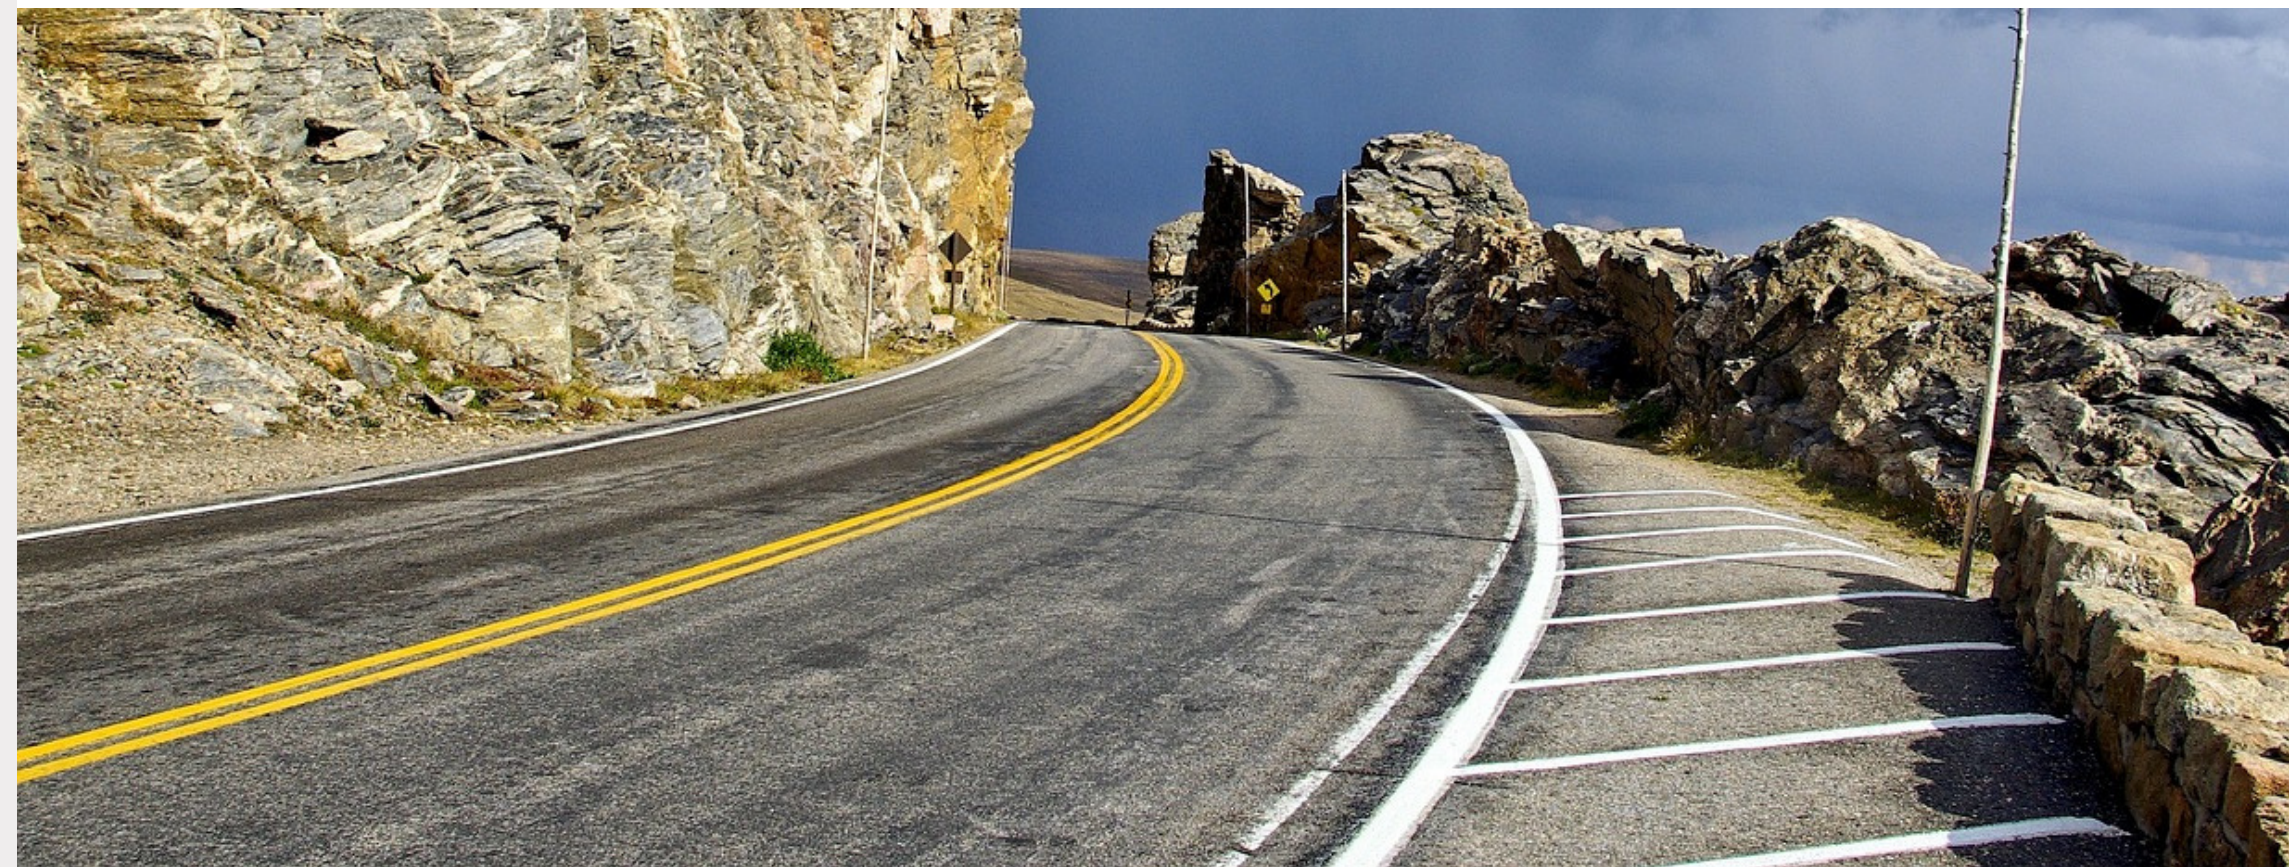

Executive Club ANGELES ADVENTURE – Day 3 Itinerary

After a refreshing night at the SLS Hotel, another exciting day of driving awaits. Again, we will meet you at or after your group breakfast for last-minute checks or to answer any questions.

Then, you'll head out to explore an entirely different part of this magical area. Once again, you'll gather at a fabulous restaurant with the other members of your group.

At the conclusion of your driving adventure, we will be delighted to welcome you back to the SLS Hotel. If you've hired cars from our exotic rental car partner, a representative will be in attendance to return the vehicles, and you'll be free to enjoy your evening ahead.

Executive Club ANGELES ADVENTURE – Day 4 Departures

We will reconvene with you at or after breakfast in the morning to say our goodbyes.

We'll also be delighted to see you on another Rallyrace Executive Club Adventure very soon.

Perhaps Napa Valley, the San Francisco Bay Area, Palm Springs, the Pacific Northwest, the Blue Ridge, Virginia or New York?

Or if you fancy an overseas trip, look out for Executive Club Adventures soon in Marbella, Barcelona and Monaco.

More fabulous adventures – Just waiting for you.!
